***DISCLOSURES:** Past performance may not be indicative of future results. It should not be assumed any recommendations made in the future will be profitable or equal past performance. Any returns listed above are not meant to represent any specific client's or portfolio's actual experienced returns.*

*This presentation is provided for informational purposes only and should not be construed as investment advice. References to specific securities or industries should not be considered a recommendation. Any opinions or forecasts contained herein reflect the subjective judgments and assumptions of the authors only and do not necessarily reflect the views of Natixis Investment Managers, or any of its affiliates. There can be no assurance that developments will transpire as forecasted and actual results will be different. Data and analysis does not represent the actual or expected future performance of any investment product. We believe the information, including that obtained from outside sources, to be correct, but we cannot guarantee its accuracy. The information is subject to change at any time without notice.*

*This presentation contains "forward-looking statements" concerning activities, events or developments that the Portfolio Research and Consulting Group (PRCG) expects or believes may occur in the future. These statements reflect assumptions and analyses made by PRCG analysts based on their experience and perception of historical trends, current conditions, expected future developments, and other factors they believe are relevant. Because these forward-looking statements may be subject to risks and uncertainties beyond PRCG's control, they are not guarantees of any future performance. Actual results or developments may differ materially, and readers are cautioned not to place undue reliance on the forward-looking statements.*
